

## CAN I BE A RALLY OFFICER?

The simple answer is yes but ideally you should have assisted an experienced rally officer at a rally first so they can show you the ropes.

Running rallies is really good fun and you get to meet a lot of the members all in one day.

In order to encourage Rally Officers to volunteer to run a Rally, the Centre has agreed they should not be out of pocket by having to pay their pitch fees. When free pitches are not available, the pitch fees will **NOT** be loaded. To cover this, The Centre will make up the short fall and reimburse the Officers.

The Rally Secretary is always planning well ahead and may have sites already booked that you can use, so don't worry about not having an idea of your own.

If you know a landowner or an event that East Dorset can attend please speak to the Rally Secretary and he will help you to get it organised.

Please send an email to [eastdorsetrallysecretary@gmail.com](mailto:eastdorsetrallysecretary@gmail.com) with your contact details and he or she will be in touch.
